HONEYMOONS & DESTINATIONS

View of the Week

FRIDAY FEBRUARY 19, 2010

I've just finished reading [GQ.com's interview with Simon Spurr](#), a British fashion designer who also happens to be a newlywed. Amongst other wedding-related details, Simon shares that he and his wife headed to Guatemala for their honeymoon and stayed at the eco-friendly [Laguna Lodge](#). The views from the lodge of Lake Atitlan seem *incredible*—just look at this picture from Simon's honeymoon. The lodge also offers spa treatments, nature hikes, and Spanish lessons among other activities. Nightly rates are reasonable (from \$225 per night), and after a quick check on [Kayak.com](#), it looks like flights to Guatemala City are on the affordable side, too. Definitely worth looking into if you're on the hunt for a secluded honeymoon spot.—Leigh Crandall, Managing Editor

I'd like to add that Guatemala's Lake Atitlan is not only a wonderful honeymoon destination but also a fabulously romantic destination wedding venue!

I know a wedding coordinator who organizes destination weddings in Guatemala (Antigua, Lake Atitlan, the Pacific Coast etc) you can contact her at diana@weddingsinguatemala.com
